My dear Thomas:

The President much appreciates your friendly thought in sending him the lovely flowers, to which you refer in your letter of January twenty-ninth. It was kind of you to remember his birthday, and he asks me to send you his very best wishes.

Very sincerely yours,

Dear Mr. President,

You are so kind to all little boys and girls that I am going to remember you on your birthday.

I am sending you yellow roses, as your favorite song is "The Yellow Rose of Texas."

Love,
Thomas P. Hinson
